Lifelong Warranty for 25* Years

from the date of purchase

VARMORA warrants its stainless steel sinks for a lifetime of 25* years to the original purchaser for use in normal conditions. If any manufacturing defect is found in the product, the company will be responsible to replace the defective product. But the product replacement, in any way possible, does not include transportation cost, installation cost, or any other charges for such items as diagnosis or replacement of any faucet, component part or any other expenses. VARMORA reserves the right to examine the product and its installation prior to replacement.

Please be aware that the warranty doesn't cover waste coupling and other accessories. VARMORA's warranty does not cover product failure or damage caused by the use of optional accessories, abusive treatment, misuse, bad or high TDS water, environmental factors, normal wear including dents and scratches, improper care and cleaning, use of aggressive and abrasive cleaners, damage due to handling or failure to follow the recommended procedures for installation, care and maintenance as detailed in the installation and care guide provided with every sink.

This warranty is extended only to the original consumer or the purchaser of this product. The warranty doesn't extend to any subsequent purchasers.

*To obtain service warranty call on **toll-free no. 1800 212 4525** or write to us on **customer@varmora.com**

*Kindly present this warranty card to our customer service executive along with a copy of the original invoice (as a proof of purchase).
