The Artize logo is rendered in a blue, lowercase, sans-serif font. Above the letters 'i' and 'z', there are two thin, horizontal red lines.The text '13mm' is written in a large, red-outlined, sans-serif font. To its right, the word 'THICKNESS' is written in a smaller, white, all-caps, sans-serif font. The entire text is enclosed within a thin white rectangular border.

Presenting Artize by Varmora, an exemplary collection of 300x300 mm parking floor tiles. Artize is extremely strong and has exceptional load bearing strength thanks to its amazing 13 mm thickness. These heavy duty parking tiles are available in various colors and shades.

The Varmora logo features the brand name 'VARMORA' in white, uppercase, sans-serif font. To the right of the text is a small, colorful icon consisting of three stylized leaves or petals in shades of green, yellow, and red.
