A fervor of fabulous ambience

Varmora Granito Pvt. Ltd. came into being with a clear vision – to become a global leader in the world of ceramics in span of two decades, our futuristic group has grown by leaps and bounds into a nationwide conglomerate manufacturing quality ceramic, porcelain and vitrified tiles.

Varmora sources from popular international organizations like SACMI, Italy and Spain. What had started as a small plant in 1994 is now home to Italian machinery capable of sustained production quality and strength. Spearheaded by visionaries, our multi-million business has a vast network of more than 5000 retail outlets and over 700 dealers, we also run around 20 branches/offices with more than 1200 professionals across the country.

A B O U T U S

Seeking inspiration from our honourable Prime Minister, Mr. Narendra Modi's vision to elevate the nation on a new scale, Varmora Group enhanced its reach by venturing into a new vertical - Varmora Sanitaryware. The ideation that took place in 2014 with an advanced plant facility in Morbi, Varmora, began to cater to the varying needs of the sanitary industry of the Gujarat region and gradually nurtured itself further.

Varmora showcased its skilful abilities by assorting a wide range of products, including sanitaryware, faucets, kitchen sinks, and Varmora Plast (PTMT), keeping in mind the upsurging global demands in the residential, commercial, government, and corporate segments.

With innovation, service, and quality being the capstone of its core crux, Varmora has been the reliable choice of more than 1400 dealers. This trust uplifted the confidence in launching more than 190 Royal Stores across the nation to witness a surreal experience of sophistication. Our largest single-floor tile and bathware showroom in India has craftfully managed to capture the eyes of grace from Spain, Egypt, Iraq, UAE, Kuwait, and Ethiopia.

Varmora Bathware has been successful in providing surreal bathware experiences by creatively reflecting your persona in your space. With this, Varmora promises to continue the legacy of high-quality, durable, affordable products and upscale its outreach!

"Elevate your spaces with our premium sanitaryware and faucets, boasting unmatched quality, aesthetics, and comprehensive solutions crafted with state-of-the-art technology."
